Costs for Accomodation

Luckily the venue in Hünstetten gives us the possibility to live together like communities in ancient temples did and to cook for ourselves. The room prices are favourable and especially the professional kitchen for groups is a piece of luck. Thus the minimum amount of participants, to get reasonable costs per head. You have additional costs of maximately 9,- per person per day for kitchen use. With more participants it will be less than 9,- per day.

Costs for overnight stay are from 20,- on per night in a shared room. Participants who want to stay overnight outside pay 10,- per diem.

I have taken note of the general terms and conditions for seminars and agree to them by my application. (www.qabalah.de/seminar_agbs.html)
